

TalkToReport

Spend less time writing reports. Just talk it through.

Describe the work. Answer follow-up questions.
TalkToReport creates a structured draft.
Review and confirm it before export.

• Field service

• Site visits

• Customer visits

Your report template. Your final approval.

A

Work to document

"Filter replaced. Unit running.
A spare part is still needed."

Describe. Clarify. Review.

Missing details are asked for.
You check and confirm the draft.

B

A report ready to use

PDF or structured export.
Work, materials and next steps.

Start with one team, one report type and one output format.
